18. Bamboo Eco Traditional

Our bamboo coffins are woven from the sustainable and flexible bamboo cane. For the Bamboo Eco coffin these have been woven in the traditional way, giving it a smooth surface. The straw coloured bamboo has a light green hue, and as with all natural materials, the colour of the bamboo can slightly differ on each strand.

Photo Coffins

Photographs & collages are a beautiful way to wrap the coffin. Multiple photographs can be supplied to be placed over a background or to create a collage effect. Choose the colour of the background or use an existing design and add photographs to it - our designers will help talk you through your options.

It's such a wonderful opportunity to wrap up your loved one in memories and say goodbye'
